RE: To authorize the special use of the property known as 1117 West Franklin Street for the purpose of an expansion of an existing institutional use, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1117 West Franklin Street for the purpose of an expansion of an existing institutional use, upon certain terms and conditions.

REASON: The proposed expansion would not meet the lot coverage or height requirements of the underlying R-6 zoning district. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its April 3, 2017, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 40,382.79 SF or .927 acre parcel of land improved with a five (5) building institution. All are a part of The Fan District neighborhood, the West Franklin Street City Old

and Historic District, and Near West Planning District.

The City of Richmond's current Master Plan designates the subject property for Single-Family (Medium Density) Residential land use. Primary uses for this category "...are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre." (p.133) The plan describes additional appropriate uses for this category such as public facilities, parks, and places of worship. The current Zoning District for the property is R-6 Residential (Single-Family Attached). All adjacent properties are located within the same R-6 Residential (Single-Family Attached) District.

FISCAL IMPACT / COST: The Department Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
