RE: To authorize the special use of the property known as 202 West 15th Street for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 202 West 15th Street for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

REASON: The applicant is proposing a one bedroom dwelling unit above a two car garage that is accessory to a two family dwelling. The property is currently located in the R-8 Urban Residential District and the proposed use is not permitted. Dwelling units accessory to an existing building are permitted only to single family dwellings. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its December 3, 2018 meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 4,774 SF or .16 acre parcel of land improved with an existing two family detached dwelling with a detached, 1,248 SF, two story garage. The property is located in the Old South Planning District and the Manchester neighborhood.

The City of Richmond's Downtown Plan designates the subject property as being within a General Urban Area, which is "characterized by medium density, mixed use development along medium sized blocks [and includes] single family homes, sideyard houses, row-houses, and small multi-family buildings, such as duplexes, triplexes, and quads" (p. 3.23). No residential density is specified for this land use designation.

Adjacent and nearby properties are a combination the same R-63 district as the subject property. Properties across West 11th Street are located in the R-8 Urban Residential District. A mix of vacant and residential (single, two, and multi-family) land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
