THROUGH: The Honorable Levar M. Stoney, Mayor (By request)
(This is no way reflects a recommendation on behalf of the Mayor.)

THROUGH: Selena Cuffee Glenn, Chief Administrative Officer

FROM: Mark A. Olinger, Director, Department of Planning and Development Review

RE: To rezone the properties known as 1809 and 1815 East Franklin Street as well as properties
known as 14th and 6th North 19th Street from the M-1 Light Industrial District to the B-5
Central Business District.

ORD. OR RES. No.

PURPOSE: To rezone the properties known as 1809 and 1815 East Franklin Street as well as properties
known as 14th and 6th North 19th Street from the M-1 Light Industrial District to the B-5 Central Business
District.

REASON: The applicant has requested to rezone the properties from M-1 Light Industrial to the B-5 Central
Business District. The applicant wishes to remove the street oriented commercial requirement from the
properties fronting on East Franklin Street to allow for residential uses on the ground floor of existing
buildings.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance,
the City Planning Commission will review this request and make a recommendation to City Council. This item
will be scheduled for consideration by the Commission at its February 4, 2019, meeting.

BACKGROUND: The properties combined consist of 17,036 SF, (.40 acres) of land currently improved with
some historic structures and are located in the East Planning District of the Shockoe Bottom neighborhood. The
property is also within the Shockoe Bottom Station Area of the Pulse Corridor Plan.

The City of Richmond's current Pulse Corridor Plan designates the subject property as Corridor Mixed-Use
(CMU). The Plan calls for specific characteristics within this category and is "...envisioned to provide for
medium-density pedestrian- and transit-oriented infill development to fill "missing teeth" of the corridor fabric.
The building size, density, and zoning districts for these areas will vary depending on historic densities and
neighborhood characteristics. New development should be in scale with existing context or respond to unique
site characteristics and opportunities for redevelopment. Active commercial uses required on principal street
frontages. Ground floor residential uses should have street-oriented facades with setbacks, front yards, porches,
and balconies where appropriate. Driveway entrances required to be off alleys whenever possible; new
driveways prohibited on street-oriented commercial and priority street frontages. Parking lots and areas are
located on the rear of buildings and require screening; shared parking requirements are encouraged to allow for
commercial development while ensuring adequate residential parking. Potential future zoning districts: UB-2, B
-5, B-6, RF-1, or a new district." (City of Richmond, Pulse Corridor Plan, 2018)

A mix of B-5, B-5C and M-1 zoning districts are present in the vicinity. A mix of office, commercial, mixed use, industrial, vacant, and residential land uses are present in the vicinity.
