RE: To authorize the special use of the property known as 1113 North 32nd Street for the purpose of a two-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1113 North 32nd Street for the purpose of a two-family detached dwelling, upon certain terms and conditions.

REASON: Two-family dwellings are allowed in the R-6 Single-Family Attached Residential District, however, the subject property does not meet the lot area and width requirements of the underlying zoning. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 18, 2019 meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 3,720 SF (.085 acre) parcel of land and is vacant. It is located in the Church Hill North Neighborhood within the City's East Planning District.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses in this category are "single-family detached dwellings at densities between 8 and 20 units per acre." (See page 133, Richmond Master Plan.) The density of the parcel if developed as proposed would be a ratio of approximately 22 units per acre.

The City of Richmond's Master Plan designates the subject property for single-family (medium density). Primary uses are single-family and two-family dwellings, both detached and attached. There are also a variety of general housing goals contained in the Master Plan Neighborhoods and Housing chapter that are applicable to the request. These goals include, among other things, recognition of the need for the continued creation of market rate rental housing and a desire for neighborhoods to provide a variety of housing choices while remaining culturally and economically diverse.

All properties surrounding the subject property are located within the same R-6 Single-Family Attached Residential zoning district. Within the area of the subject property, many properties are vacant. Those properties with improvements contain a mixture of single-family and multi-family structures

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
