### **O & R Request**

**DATE:** April 29, 2019

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor)

**THROUGH:** Selena Cuffee-Glenn, Chief Administrative Officer

**THROUGH:** Sharon Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Dept. of Planning and Development Review

**RE:** To authorize the special use of the property known as 319 ½ South Pine Street for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 319 ½ South Pine Street for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

**REASON:** The applicant is proposing to convert an existing two-story, 1,470 SF, detached garage into an accessory dwelling unit with studio space. The property is currently located in the R-7 Single- and Two-Family Urban Residential District. The existing building does not meet R-7 standards for accessory dwelling units. A special use permit has therefore been requested by the applicant.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its June 17, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 4,350 SF (.10 acre) parcel of land improved with a 1,328 SF single-family dwelling. It is located on South Pine Street, between Idlewood Avenue and Albemarle Street, in the Oregon Hill neighborhood of the Near West Planning District. The detached garage is located to the rear of the property along a public alley.

The City of Richmond's Downtown Master Plan designates a future land use category for the subject property as Downtown General Urban Area which is "...characterized by medium-density, mixed-use development, distributed along medium-sized blocks. Old Manchester is an example of the general urban condition in Richmond. This district is characterized by single-family homes, sideyard houses, rowhouses, and small multi-family buildings, such as duplexes, triplexes, and quads. These buildings have variable setbacks and landscaping, and a limited mix of commercial and civic uses." No residential density is specified for this land use category. The density of the parcel if developed as proposed would be approximately 20 units per acre.

Adjacent properties on the 300 Block of Pine Street are of similar sized houses, some with rear garages and accessory dwellings. Single-family and multi-family dwellings predominate the area, with some neighborhood commercial land uses and open space present as well. All surrounding properties are within the same R-7 Single- and Two-Family Urban Residential District as the subject property.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
