RE: To authorize the special use of the property known as 1515 Hull Street, for the purpose of authorizing a contractor's shop and artist's studio, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1515 Hull Street, for the purpose of authorizing a contractor's shop and artist's studio, upon certain terms and conditions.

REASON: The applicant has proposed to use a commercial building as a contractor's shop and artist's studio in which handmade furniture and decorative wooden items would be produced and sold. Such a use is not permitted in the B-5 Central Business District. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 1, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 3,023 SF (.07 acre) parcel of land improved with a 1-story, 1,459 SF commercial building constructed, per tax assessment records, in 1956. The property is located in the Manchester neighborhood within the City's Old South Planning District, on the north side of the 1200 block of Hull Street, between Cowardin Avenue and East 15th Street.

The City of Richmond's Downtown Master Plan designates the subject property as a Downtown Urban Center Area which is "...characterized by higher density, mixed-use development, typically arranged on a fine grained street network, with wide sidewalks, regular tree planting, and minimal setbacks. Uses are less restricted, and commercial uses are often located on the ground floor with large windows and doors fronting the sidewalk. The upper stories of buildings are typically a mix of office and residential uses."(City of Richmond Downtown Master Plan, pp. 3.25(6).)

This property is within the B-5 District recently established for this portion of the Hull Street corridor with the intention of encouraging more mixed-use, pedestrian-oriented development along the corridor. Properties to the north of the subject property are zoned R-63 Multi-Family Urban Residential. A mix of commercial, mixed-use, vacant, industrial, institutional, and single-, two, and multi-family residential land uses are present in the vicinity of the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
