RE: To authorize the special use of the property known as 3151 Moody Avenue for the purpose of permitting two two-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3151 Moody Avenue for the purpose of permitting two two-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is proposing to construct a two-family detached dwelling on a newly created parcel of land. Such a use is not permitted in the R-5 district. The subject property is currently improved with a two-family dwelling that was authorized by the Board of Zoning Appeals. The proposed special use permit would authorize both the existing and proposed two-family dwellings.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 15, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property is a lot measuring 11,717 SF (0.269 acres) located at 3151 Moody Avenue, between a public gravel alley to the west and West Blake Lane to the east, in the Reedy Creek neighborhood of the Old South Planning District. The property is improved with a 2-story building constructed in 1920, which has since been converted into a two family dwelling.

In 2016, the applicant acquired the vacant house at 3151 Moody Avenue and renovated the existing dwelling. The applicant intends to continue this effort by subdividing the lot and building a new two-family dwelling.

The City of Richmond's Master Plan designates the subject property along Moody Avenue for Single-Family (Low-Density) land use. Primary uses in this category are single-family detached dwellings at up to seven units per acre.

All surrounding properties are also located in the R-5 District. Residential land use predominates the area, consisting of single-family and two-family dwellings and some multi-family dwellings. Some non-residential uses are present along Midlothian Turnpike to the south.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
