RE: To authorize the special use of the property known as 1200 North 28th Street for the purpose of a multi-family dwelling containing up to fifteen dwelling units, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1200 North 28th Street for the purpose of a multi-family dwelling containing up to fifteen dwelling units, upon certain terms and conditions.

REASON: The applicant is proposing to adapt a former church into a fifteen-unit multi-family dwelling, at 1200 North 28th Street. The property is currently located in the M-1 Light Industrial District. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its November 4, 2019, meeting. A letter outlining the

Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a parcel totaling 7,980 SF, or .18 acres, of land and was originally a place of worship. The property is a part of the Church Hill North neighborhood in the East Planning District. The development will consist of fifteen multi-family dwellings within the existing, historic structure, located at the intersection of North 28th Street and R Street.

The City of Richmond's current Master Plan designates the subject property for Single-Family Medium-Density land use. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. The density of the proposed development would be approximately 82 units per acre.

The current zoning for the subject property is M-1 Light Industrial. Properties to the north, south, and west are zoned R-6 Single-Family Attached Residential. Properties directly adjacent to the east are zoned M-1 Light Industrial. Residential (single-, two-, and multi-family) land uses predominate the area.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
