### **O & R Request**

**DATE:** October 11, 2019

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This is no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** Lenora Reid, Acting Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 1013 N. 33<sup>rd</sup> Street for the purpose of two two-family attached dwelling on two lots less than 6,000 square feet in area and less than 50 feet in width within the R-6 Single-Family Attached Residential District upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 1013 N. 33<sup>rd</sup> Street for the purpose of two two-family attached dwelling on two lots less than 6,000 square feet in area and less than 50 feet in width within the R-6

Single-Family Attached Residential District upon certain terms and conditions.

**REASON:** The Property is located in the R-6 Single-Family Attached District. In regard to this district, Section 30-412.1 (Permitted principal uses) of the zoning ordinance states that *Two-family attached dwellings are only permitted if legally existing prior to the effective date of the R-6 regulations*. Section 30-412.4 (3) (Lot area and width) states that *two-family dwellings must be on lots of not less than 6,000 square feet in area and not less than 50 feet wide*. The proposed request calls for the division of the property into two separate 25 foot wide parcels with an area of approximately 3,250 square feet. Each parcel will contain a two-family dwelling that would be attached via a party wall. A special use permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its December 2, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property referenced as 1013 N. 33<sup>rd</sup> Street is a vacant corner lot that is 6,500 SF (.149 acre) in area. The frontage along North 33<sup>rd</sup> Street is 50 feet and the frontage along Q Street is 130 feet. The property is located in the Church Hill North neighborhood of the East Planning District.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. The proposed development would create a net equivalent density of 27 units per acre.

The subject property, along with those properties located to the north, south and west, is located in the R-6 Single-Family Attached District. The properties located across an alleyway to the east are in the R-5 Single-Family Residential District. Residential land use (single-, two-, and multi-family) predominates the area, with some mixed-use, commercial, and institutional uses present as well.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
