WHEREAS, the Council of the City of Richmond believes that the City's zoning ordinance, codified as Chapter 30 of the Code of the City of Richmond (2015), as amended, should be amended to classify licensed outpatient opioid treatment facilities as medical clinics or otherwise permit licensed outpatient opioid treatment facilities in such additional zoning districts as the Director of Planning and Development Review may deem appropriate; and

BE IT FURTHER RESOLVED:

That the City Planning Commission is hereby directed to hold a public hearing on any such proposed changes to the zoning ordinance and submit its recommendation and any explanatory materials to the City Council as soon as practicable.
