RE: To authorize the special use of the property known as 420 North 26th Street for the purpose of
two single-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 420 North 26th Street for the purpose of
two single-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is proposing to construct a single-family detached dwelling and rehabilitate a single-
family detached dwelling, after dividing the property. Under current R-63 Multi-Family Urban Residential
zoning standards, the proposal would not meet lot area or off-street parking requirements. A Special Use Permit
is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance,
the City Planning Commission will review this request and make a recommendation to City Council. This item
will be scheduled for consideration by the Commission at its June 15, 2020 meeting.

BACKGROUND: The subject property consists of a .092 acre (4,026 SF) parcel improved with a one-story
dwelling built, per city tax assessment records, in 1890. The property is a part of the Church Hill neighborhood
in the East Planning District and is also located in the Church Hill North City Old & Historic District.

The City of Richmond's Master Plan designates the subject property for Mixed Use Residential land uses which
include single-, two-, and multi-family dwellings, live/work units and neighborhood serving commercial uses
developed in a traditional urban form. These commercial uses are limited in location, type and scale and are
intended to provide for the convenience of urban neighborhood residents within walking distance, to respect the
primary residential character of the neighborhood and to avoid traffic, parking, noise and other impacts that
typically result from uses that draw patrons from outside the neighborhood. Typical zoning classification that
may accommodate this land use category: R-63 and R-8. (City of Richmond, Master Plan).

The current zoning for the subject property is R-63 Multi-Family Urban Residential and surrounding properties
are within the same R-63 District. A mix of single-, two-, and multi-family residential, vacant, commercial,
mixed-use, and institutional land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any

impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
