### **O & R Request**

**DATE:** May 22, 2020

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor)

**THROUGH:** Lenora G. Reid, Acting Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 1110 North 20<sup>th</sup> Street for the purpose of a two-family detached dwelling, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 1110 North 20<sup>th</sup> Street for the purpose of a two-family detached dwelling, upon certain terms and conditions.

**REASON:** The proposed two-family detached dwelling will be built on a parcel that does not meet the minimum lot width or area required in the R-6 Single-Family Attached Residential District. Therefore, a special use permit is required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 20, 2020, meeting.

**BACKGROUND:** The subject property is .081 acres (3,518 square feet) in area, 28 feet in width and 125 feet in depth. It is located in the R-6 Single-Family Attached Residential District. For this district, the Sec. 30-412.4 (3) of the zoning ordinance states that two-family attached and detached dwellings shall be located on lots of not less than 6,000 square feet in area with a width of not less than 50 feet.

The City of Richmond's Master Plan designates a future land use category for the subject property as Single-Family Medium Density. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-5A, R-6 and R-7.

The subject property lot size is typical for the street where it is located. Those properties which contain improvements have single-family dwellings. The proposed two-family detached structure will have a single front entrance that opens to a foyer, which in turn provides access to the first floor residential dwelling unit and to a stairwell that provides access to the second floor dwelling unit. This configuration presents from the curb as a typical single-family detached dwelling similar to the other homes on the block. The net density of living units under this proposal is 25 units per acre.

The zoning ordinance requires a minimum of two parking spaces per dwelling unit. Two parking spaces are provided in the rear and are accessed from the alley.

The subject property, as well as all adjacent properties, are located in the R-6 Single-Family Attached Residential District and contain single-family dwellings or are vacant.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
