### **O & R Request**

**DATE:** November 13, 2020

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This is no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** Lenora G. Reid, Acting Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 4016 Newport Drive for the purpose of an existing detached storage shed, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 4016 Newport Drive for the purpose of an existing detached storage shed, upon certain terms and conditions.

**REASON:** The applicant is requesting a special use permit to authorize the use of an existing detached storage shed within an R-5 Single-Family Residential zone. Detached storage sheds are allowed within these zones. However, the existing structure does not meet the rear and side yard set-back requirements as constructed. A special use permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 4, 2021, meeting.

**BACKGROUND:** The subject property consists of a 4,868 SF or .112 acre parcel of land. The property is located in the Bellevue neighborhood within the City's North Planning District along Newport Drive between the Bellevue and Nottaway Avenues.

The current Master Plan designates this parcel as Single Family Low Density. The primary "...use is single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-1, R-2, R-3, R-4, and R-5." (City of Richmond, 2001 Master Plan)

The Draft Richmond 300 Master Plan designates the subject property as "Residential" which recommends a development style of "...medium-sized and large-sized lots in a largely auto-dependent environment. Homes are setback from the street. Future developments continue and/or introduce a gridded street pattern to increase connectivity. Future single-family housing, accessory dwelling units, duplexes, and small multi-family residential buildings are built to a scale and design that is consistent with existing buildings." Primary uses include "Single-family houses, accessory dwelling units, and open space." Secondary uses include "Duplexes and small multi-family buildings (typically 3-10 units), institutional, and cultural. Secondary uses may be found along major streets." (Draft Richmond 300 Master Plan, p. 54)

Nearby properties are located in the same R-5 zoning district with a small B-1 Business district to the east. While the area is largely residential, some institutional and commercial land uses are present in the vicinity.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
