RE: To authorize the special use of the property known as 2601 Edgewood Avenue for the purpose of two single-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 2601 Edgewood Avenue for the purpose of two single-family detached dwellings, upon certain terms and conditions.

REASON: The subject property is located in the R-5 Single-Family Residential zoning district. The property

owner proposes to split the existing lot into two lots to accommodate the construction of two single-family detached dwellings. However, the proposed lots do not meet the minimum lot area and yard requirements. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 3, 2021 meeting.

BACKGROUND: The subject property consists of an irregularly shaped, vacant 0.24 acre parcel located in the North Barton Heights neighborhood at the intersection of Edgewood Ave and Montrose Ave. The property owner acquired this parcel from the City of Richmond through a tax delinquent sale. A condition of this sale is a requirement that the Director of Planning and Development Review approve the design of new construction for compatibility with prevailing architecture in the area.

The Richmond 300 Master Plan designates the subject property for residential uses. Primary uses are single-family houses, accessory dwelling units and open space. Institutional and cultural facilities are indicated as secondary uses.

All properties surrounding the subject property are located within the same R-5 Single-Family Residential zoning district. Within the area of the subject property, properties are improved with single-family detached dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

BUDGET AMENDMENT NECESSARY: No.
