TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor)

THROUGH: J.E. Lincoln Saunders, Acting Chief Administrative Officer

FROM: Kevin J. Vonck, Acting Director, Dept. of Planning and Development Review

RE: To authorize the special use of the property known as 116 South Laurel Street for the purpose two two-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 116 South Laurel Street for the purpose two two-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is requesting to authorize the special use of the property known as 116 South Laurel Street for the purpose two two-family detached dwellings, upon certain terms and conditions. The property is located in an R 7 Single- and Two-Family Urban Residential District. While the proposed use is permitted in the R-7 District, the lot area and lot width requirements are not met for two-family detached dwellings with the proposal. Therefore, a special use permit is necessary to authorize the proposed two-family detached dwellings.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 4, 2021, meeting.

BACKGROUND: The subject property consists of a single parcel of land that has a lot area of 7,883 square feet (0.181 acres) and is currently vacant. The property is located in the Oregon Hill neighborhood at the on South Laurel Street, midblock between W Cary Street and Cumberland Street.

The subject property is located within the R 7 Single- and Two-Family Urban Residential District. The proposed two-family detached dwellings do not meet the lot area and lot width requirements for two-family detached dwellings in the R-7 District.

Richmond 300 recommends a future land use of “Neighborhood Mixed-Use” for the property. The primary uses recommended for Neighborhood Mixed-Use are single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units) and open space. Secondary uses include large multi-family buildings (10+ units), retail/office/personal service, institutional, cultural and government. The intensity recommended for Neighborhood mixed-use is typically two to four stories, with more height permissible along major streets. The development style should be compatible with the existing context. Setbacks, plazas and parks can help create a sense of place and community gathering areas. New developments on larger parcels should continue or introduce a gridded street pattern. In historic neighborhoods, small-scale commercial buildings should be introduced. Ground floors should engage the street with features such as street-oriented facades. Appropriate setbacks, open space, front porches, elevated ground floors and other features that provide a sense of privacy should be provided for residential uses. Pedestrian, bicycle, and transit access must be accommodated, and bike parking must be provided.

The portion of South Laurel Street that abuts the property is designated as a “Major Mixed-Use Street” on the “Great Streets and Street Typologies” map.

A mix of single- and two-family dwellings are located to the west, east, north and south of the subject property. Commercial uses are located within a block, fronting along West Cary Street.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.
