RE: To authorize the special use of the property known as 3026 North Avenue for the purpose of a two-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3026 North Avenue for the purpose of a two-family detached dwelling, upon certain terms and conditions.

REASON: The applicant is requesting a special use permit to authorize the use of the property as a two-family dwelling. While the R-6 Single-Family Attached Residential District permits two-family detached dwellings, the lot area and lot width requirements are not met for the proposed use.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its August 16, 2021, meeting.

BACKGROUND: The subject property contains a lot area of approximately 5,400 square feet and is improved with a two-story vacant residential building. While the R-6 Single-Family Attached Residential District permits two-family detached dwellings, the lot area and lot width requirements are not met for the proposed use.

Richmond 300 recommends a future land use of “Residential” for the property. The primary uses recommended for Residential are single-family homes, accessory dwelling units and open space. Secondary uses include duplexes and small multi-family buildings (3-10 units), institutional and cultural uses. These uses should typically be located on major streets. The development style for Residential is houses on medium or large sized lots with homes setback from the street. Future development should continue or introduce a gridded pattern of development and new buildings should be built to a scale and design that is consistent with existing buildings. Buildings are generally one to three stories, with lots generally ranging up to 5,000 SF to 20,000 SF. General density should be 2-10 units per acre.

The portion of North Avenue that abuts the property is designated as a “Major Residential Street.”

The property falls within the Brookland Park Regional/National Node. This area is envisioned to continue to regain population and to have empty storefronts fill with neighborhood-serving businesses. Street landscaping will grow and new public art will recognize the unique character of this commercial corridor.

The property and properties to the east, west, north and south are located within the R-6 Single-Family Attached Residential District. The property is within a residential neighborhood, and both single-family and two-family residential dwellings are located within the block.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
