RE: To authorize the special use of the property known as 8 Rear South Plum Street for the purpose of a multi-family building, containing up to four dwelling units, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 8 Rear South Plum Street for the purpose of a multi-family building, containing up to four dwelling units, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit which would allow for a multi-family within an Urban Business District. The proposed use does not satisfy the improved public street frontage requirements of Section 30-610.1 of the City's Zoning Ordinance. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 3, 2022, meeting.

BACKGROUND: The property is located in the Fan neighborhood on 8 Rear South Plum Street, between South Plum and South Lombardy Streets. The property is currently a 3,300 sq. ft. (.076 acre) parcel of land. The application is for a 4 unit, multi-family building without off street parking.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Community Mixed Use. This designation is defined as a "Cluster of medium density, walkable commercial and residential uses that provide neighborhood services to nearby residential communities and sometimes feature regional attractions."

Primary Uses: Retail/office/personal service, multi-family residential, cultural, and open space.

Secondary Uses: Single family houses, institutional, and government. (p. 58)

The current zoning for this property is UB-PO3 (Urban Business Parking Overlay). Adjacent properties are generally the same UB-PO3 Zone. Properties to the north along Floyd Avenue are zoned R-6 Single-Family Attached Residential with R-7 Single- and Two-family Urban Residential District to the South. The density of the proposed development is approximately 52 units per acre. The surrounding land uses include primarily residential with some commercial and institutional uses present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and

publishing, mailing and posting of public notices.
