### **O & R Request**

**DATE:** January 31, 2022

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** J.E. Lincoln Saunders, Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Kevin J. Vonck, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the properties known as 1204 and 1206 North 19<sup>th</sup> Street for the purposes of up to six single-family attached dwellings, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the properties known as 1204 and 1206 North 19<sup>th</sup> Street for the purposes of up to six single-family attached dwellings, upon certain terms and conditions.

**REASON:** The subject property is located in R-6 Single-family attached zoning district. Proposed is a plan to subdivide the property and construct three single-family attached homes, for a total of six dwelling units. The proposed new lots do not meet the lot feature requirements of the zoning district where they will be located. Therefore a special use permit amendment is requested.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 21, 2022 meeting.

**BACKGROUND:** The subject properties are located midblock of North 19th Street between R Street and Fairmont Avenue. The vacant properties contain approximately 12,579 square feet. The proposal calls for the subdivision of the parcels to create six lots with 2,094 square feet of area each. Three single-family attached structures will result in six dwelling units each on a fee simple lot.

Single-family attached homes are permitted uses in the R-6 Single-Family Attached Residential District. Section 30412.4(2) states that two-family attached dwellings shall be located on lots not less than 2,200 square feet and lot width not less than 16 feet. The lots meet the required width but do not meet the minimum lot area requirement.

The Richmond 300 Master Plan recommends Neighborhood Mixed Uses for the Property. Primary uses include Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

Properties to the north, south and east are located in the same R-6 Single-Family Attached zoning district as the subject property. Properties located to the west, across an alley, are in the R-53 Multifamily Residential District.
