RE: To authorize a special use for the property known as 2300 Fairmont Avenue for the purpose of a building containing an office use and up to four multi-family dwelling units, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize a special use for the property known as 2300 Fairmont Avenue for the purpose of a building containing an office use and up to four multi-family dwelling units, upon certain terms and conditions.

REASON: The subject property is located in the R-6 Single-Family Attached Residential Zoning District, in which the proposed office and multifamily uses are not permitted uses. Therefore a special use permit is requested.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 5, 2022 meeting.

BACKGROUND: The 6,250 square foot subject property is located on the northeast corner of Fairmont and North 23rd Street. An Alley runs along the rear of the property and connects to North 23rd Street. The property is improved with a 3,372 square foot single-story building originally constructed as a church. City records indicate that the building was constructed in 1900 and is noted as being in very poor condition for its age.

Residential uses are the only permitted uses in the R-6 Single-Family Attached Residential District. The request will authorize neighborhood serving uses that are permitted for corner uses in the R-63 Multifamily Urban Residential District. These uses include art galleries; Barber shops; Grocery stores; Laundromats; certain types of restaurants and cafes; Retail stores; and offices.

Properties to the north, south, east and west are located in the same R-6 Single-Family Attached Residential District as the subject property. Uses in these areas are predominately single-family attached and detached residences.

The Richmond 300 Master Plan recommends Neighborhood Mixed-Uses for the property described as existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any

impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
