RE: To authorize the special use of the property known as 2301 Old Dominion Street to allow an addition to the existing building, currently containing an industrial use, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 2301 Old Dominion Street to allow an addition to the existing building, currently containing an industrial use, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit which would allow for the construction of a 3,300 square foot addition to an industrial use that is located on a property that is split between the M-1 Light Industrial zone and R-6 Residential (Single-Family Attached) zone, the addition being on the portion of the property that is zoned R-6 which does not allow industrial uses. The addition will also be closer than 5ft to the east property line, which does not meet the requirements of the R-6 zoning district. A Special Use Permit is therefore requested.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 18, 2022, meeting.

BACKGROUND: The property is located in the Swansboro neighborhood at 2301 Old Dominion Street between East Pilkington Street and East 21st Street. The property is currently 60,984sq. ft. (.033 acre) in size and contains an existing single story warehouse currently containing an industrial use and associated vehicle storage. The application requests to allow the construction of 3,300 square foot addition a the rear of the building. The property is split between the M-1 Light Industrial zone and R-6 Residential (Single-Family Attached) zone, with the addition located within the R-6 zone.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed Use. This designation is defined as a "Cluster of medium-density, walkable commercial and residential uses that provide neighborhood services to nearby residential communities and sometimes feature regional attractions."

Primary Uses: Retail/office/ personal service, multi-family residential, cultural, and open space.

Secondary Uses: Single-family houses, institutional, and government.

The property is split between the M-1 Light Industrial zone and R-6 Residential (Single-Family Attached) zone, with the addition located within the R-6 zone. Adjacent properties are generally zoned M-1 Light Industrial along the front of the subject property and R-6 Residential along the rear. Surrounding land uses include commercial and industrial to either side of the subject property (east, west, southwest) with residential single family to the rear (southwest) of the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
