RE: To authorize the special use of the property known as 310 West 31st Street for the purpose of multi-family dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 310 West 31st Street for the purpose of multi-family dwelling, upon certain terms and conditions.

REASON: The subject property is located in the R-5 Single-Family Residential District where multi-family dwellings are not permitted uses. The proposal calls for the conversion of an existing structure to contain 19 multi-family dwelling units. Therefore, a Special Use Permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The .852 acre subject property fronts West 31st Street with McDonough Street to the north and Porter Street to the south. An alley runs along the western property line.

The Property is improved with a 3-story original masonry building that was built in the early 1920s and subsequently expanded. The building contains 18,576 square feet of finished floor area. It was last occupied by vacated adult home and is in poor condition. The proposed multi-family use will not cause the expansion of the structure.

The Richmond 300 Master Plan recommends Residential Uses for the subject property. Small multi-family dwellings are recommended secondary uses.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
