**RE:** To authorize the special use of the properties known as 1 Rear Auburn Avenue and 3145 Rear Floyd Avenue for the purpose of a surface parking lot, garages, and electric vehicle charging stations, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the properties known as 1 Rear Auburn Avenue and 3145 Rear Floyd Avenue for the purpose of a surface parking lot, garages, and electric vehicle charging stations, upon certain terms and conditions. The applicant is requesting a Special Use Permit for a surface parking lot, garages, and electric vehicle charging stations within a R-6 Single-Family Attached Residential Zoning District. While the uses are permitted within the R-6 district, they must be customarily incidental and clearly subordinate to permitted principal uses. Allowing the lot to be utilized by the general public makes it a principal use rather than an accessory use. Therefore, a Special Use Permit is required.

**BACKGROUND:** The properties are located in the Museum District neighborhood in an alley bound by North Auburn Avenue and North Belmont Avenue. Combined, the properties are a 6,560 square foot or 0.15-acre parcel of land, improved with garages. The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed-Use, which is defined as, "Existing or new highly-walkable urban

neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses” (Richmond 300, p. 56, 2020).

**Intensity:** Building heights are generally two to four stories. Buildings taller than four stories may be found along major streets. Parcels are generally between 1,500 and 5,000 sq. ft.

**Primary Uses:** Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

**Secondary Uses:** Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The current zoning for the property is R-6 - Residential (Single Family Attached). Adjacent properties are within the same R-6 District. The area is generally residential properties.

**COMMUNITY ENGAGEMENT:** The Museum District Association was notified of the application.

**STRATEGIC INITIATIVES AND OTHER GOVERNMENTAL:** None

**FISCAL IMPACT:** The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.
